HEALTHCARE SOLUTIONS

NEW

Sunset HCS Deluxe CPAP Masks

Both masks feature:

- An extremely lightweight design
- Soft, replaceable silicone cushions

Deluxe Full Face CPAP Mask

Order#
CM005S Small
CM005M Medium
CM005L Large

With Headgear and Cushion

The Deluxe Full Face mask has a streamlined footprint that creates a secure seal without the need for a forehead support. This leads to a clear line of sight and a fewer points of contact on the face, making it a great option for claustrophobic patients or those with reading glasses.

Deluxe Nasal CPAP Mask

Order# Medium
CM006M Large
CM006L

With Headgear and Cushion

The new Deluxe Nasal mask features a one-piece molded silicone rubber frame that's lightweight, comfortable and easy to clean.
