The Next Generation of Pediatric CPAP Masks

Designed for children ages 2-12, Sleepnet's MiniMe® and MiniMe2 masks feature patented AIR°gel with Advanced Cushion Technology. With increased moldability, MiniMe masks provide your smallest patients with the ultimate fit and maximum comfort.

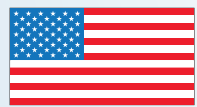

AIR°gel

Maximum comfort, minimum weight. Patented AIR°gel makes MiniMe masks some of the most gentle fitting masks on the market.

Advanced Cushion Technology (A.C.T.)
Our ergonomic cushion technology delivers an effective seal for the most comfortable fit.

Custom Fit Technology
The shapeable shell mask can be easily molded to fit individual needs.
Flex, Fit, Forget.

Made in the USA

- 100% designed and manufactured in the USA
- Environmentally conscious production practices
- Backed by warranty against manufacturing defects
