NASAL

Order# CM007S Small with Headgear

Order# CM007M Medium with Headgear

Order# CM007L Large with Headgear

- Half the weight of leading masks
- Conventional forehead pad was removed to create a clear line of sight – great for claustrophobic patients
- Improved built-in vents for quieter, diffused exhalation
- Minimalist design and ultra-lightweight silicone – increase comfort while maintaining optimal seal
- Quick release clips make it easy to remove without resetting the headgear
- 360° dual-swivel elbow port allows for free movement while connected to the tubing

HCPCS# MASK - A7030 • HEADGEAR - A7035

Order# CM008M Medium with Headgear

Order# CM008L Large with Headgear

- Great value for cash patients or those with lower insurance reimbursement
- Headgear clips allow for quick removal of mask - no further adjustments required after initial fitting
- One-piece design is durable and easy to clean
