CM060-KITS

Extra Large Large Medium Small

Cut on dashed line

NASAL

FULL FACE

Small CM061S Medium CM061M Large CM061L Extra Large CM061XL

Detailed description: This section contains the mask templates. At the top, two brackets group the sizes into 'CM060-KITL' (Extra Large and Large) and 'CM060-KITS' (Medium and Small). Below these are two rows of mask outlines. The top row, labeled 'NASAL', shows four nasal mask templates for sizes Extra Large, Large, Medium, and Small. The bottom row, labeled 'FULL FACE', shows four full-face mask templates for sizes Small, Medium, Large, and Extra Large. Each mask template consists of a solid black outer boundary and a dashed pink inner boundary. To the left of the templates, a pair of scissors icon is positioned above a dashed line with the text 'Cut on dashed line'. To the right of the top row, the word 'NASAL' is written vertically. To the left of the bottom row, the words 'FULL FACE' are written horizontally. Below each full-face mask template is its size name and model number: Small CM061S, Medium CM061M, Large CM061L, and Extra Large CM061XL.
