StrongArm[®] Comfort Cane

Stand Safely & Walk Confidently

3 principles guided the design of the StrongArm Comfort Cane:

Strength so you feel safe and secure

Support so you have the confidence to regain your independence

Comfort so you can breeze through your day!

Designed to Improve the Lives of Everyday Cane Users

StrongArm shifts the weight from your wrist to the forearm, providing optimal stability, support and comfort as you walk.

The Ultimate Support and Comfort for Your Mobility Needs

- Lightweight & Strong
- 12 Height Adjustments
- Comfort Fit Handle
- Supports up to 500 lbs
- For Left & Right Arm
- Self-Standing Base

Ergonomic Handgrip

Supports the forearm and relieves pressure from wrist.

Offset Bend

Centers grip over tip for maximum stability when cane is at the user's side.

Traction on All Surfaces

Safely walk on grass, gravel, sand, carpet, hard surfaces, and stairs.

Available in 3-pack
