

Motif Twist Double Electric Breast Pump

Item#
MAT2300T1

Motif Twist is a convenient, portable option for every mom. This pump is lightweight and simple to use with a quiet motor. The Twist is battery-powered with AA batteries, making it a great option for moms on-the-go. Simply twist the knob to select different suction and massage settings and use the green LED light timer to track pumping sessions. Includes a storage bag and bottle stands.

Features & Benefits

- Expression Mode: Works to express milk from the breast as efficiently as possible
- Closed System: Backflow prevention keeps the motor clean, preventing contamination
- Lightweight: Weighs 0.7 lb. — perfect for portability
- Massage Mode: Helps stimulate let-down by mimicking a baby's nursing pattern
- Dual Power Options: Allows you to pump stationary or on battery power with AA batteries
- Quiet Motor: 45 dB hum making this a discreet option for moms
