Whisper-Quiet Operation

The Transcend Micro operates quietly, ensuring that both you and your companions can enjoy a peaceful night's sleep. When used with the WhisperSoft muffler (included), the device's noise level is further minimized, allowing for peaceful rest.

Maintenance Made Simple

With user-friendly features and easy maintenance, the Transcend Micro is designed to simplify your sleep therapy routine.

Health Benefits of CPAP Therapy

Consistent use of a sleep apnea device can lead to numerous health benefits, including lower blood pressure, reduced risk of stroke, decreased daytime sleepiness, and improved mental health. By maintaining open airways during sleep, CPAP therapy can also reduce snoring and enhance overall sleep quality.

Warranty and Support

Your investment in the Transcend Micro is protected by a 3-year warranty and backed by comprehensive support.
