Heated

For use with F&P MR850

Heated Adult Single Limb

VC1114

10/case

22mm circuit with optional connector

OEM# RT114

Passive

Adult

VC1003

10/case

Includes:

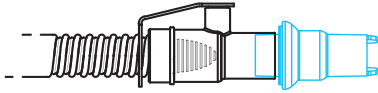

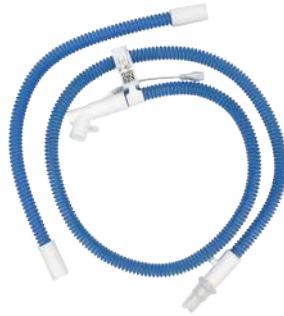

- 22mm circuit
- Swivel exhalation port
- Optional connector

OEM#

1076046

1073227

1073235

Pediatric

VC1003P

10/case

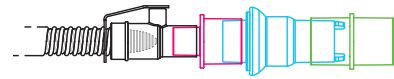

Includes:

- 15mm circuit
- Swivel exhalation port
- 15mm/22mm connector
- 22mm/22mm connector

OEM#

1073225

1073234

Active

Adult

VC1002

30/case

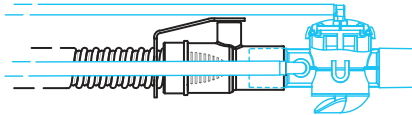

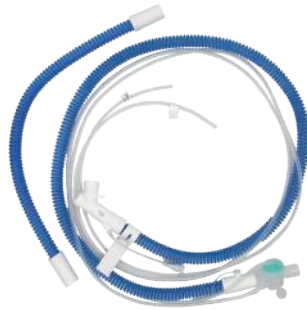

Includes:

- 22mm circuit
- Active exhalation valve adapter
- Optional connector

OEM#

1073222

1073231

Pediatric

VC1002P

30/case

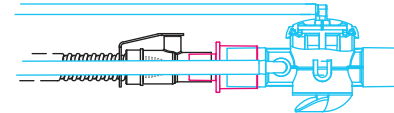

Includes:

- 15mm circuit
- Active exhalation valve adapter
- 15mm/22mm connector

OEM#
